

March 22, 2021 - Annual General Meeting Notice

Restrictions currently in place regarding Covid-19 have made our traditional AGM format not viable. Therefore AHEIA will be holding the annual general meeting in a revised format this year. As we were unsure when meeting restrictions and advisories would end, we posted previous notices in our publications referring to the fact that this meeting would have to be postponed and restructured to meet with current health authority advice. As gathering numbers and safety protocols currently remain such that in person attendance is limited, and in the best interests of our members safety, we will be hosting an on-line meeting using the "zoom" application.

Zoom Meetings syncs with your calendar system and delivers streamlined enterprise-grade video conferencing from desktop, mobile and dedicated zoom for home devices. You will need to download the app at : [Download for Windows - Zoom](#)

Monday March 29th at 7:00 pm

Please dial in for an abbreviated meeting, approximately 1 hour or less, to conduct the annual business of the Alberta Hunter Education Instructors Association (AHEIA). There will be a requirement for pre registration and we request you sign in using your full name as your screen name to enable us to determine voting privileges.
