Alberta Hunter Education Instructors' Association **2022 YOUTH HUNTER EDUCATION CAMPS** July 3-8, July 10-15, July 17-22, or July 24-29

Due to the continued success and popularity of our *Youth Hunter Education Camps*, we hope to once again be offering four camps this summer. All camps will offer the same courses and certifications. Register for the one that suits your schedule best. The camp is open to all boys and girls age 12 to 17 (due to Federal firearms regulations all participants must be a minimum of 12 years of age to qualify to attend the camp).

These camps are restricted to those youngsters who have not previously attended the AHEIA Youth Hunter Education Camp and do not already possess either their Hunter Education or Canadian Firearm Program certifications.

The *2022 Youth Hunter Education Camp* is a five-day event of fun-filled learning activities. Financial support has been provided by *Wildlife Habitat Canada*. Experts will be sharing their knowledge and providing instruction in the *Alberta Conservation and Hunter Education Program*, the *Canadian Firearms Safety Course* and much more.

Participants MUST arrive and register at camp between 4:00-6:00 PM on the Sunday before the start of their week in camp (NO EXCEPTIONS PLEASE). Orientation will start at 7:00 PM SHARP on Sunday and all camp participants **MUST** attend. If parents wish they may stay and enjoy the camp and surroundings at their leisure on Sunday prior to heading back home.

Meals on the Sunday are not part of the camp registration package. For your convenience, our caterers will set up their concession trailer between 4:00-6:00 PM on Sunday providing tasty food at reasonable prices. Alternatively, participants should arrive having made previous arrangements for dinner. Attendees are not allowed to use the camp kitchen to prepare food, however, we do have a lakeside fire pit for your use. Participants are responsible for all clean up and ensuring the fire is out.

Parents must pick up their children at 12:00 noon on Friday at the end of the camp.

The cost for the *2022 Youth Hunter Education Camp* is **\$395.00** per person plus GST. This fee includes lodging, breakfast, lunch and dinner Monday through Thursday and breakfast on Friday. Also included is all instruction, course handbooks and testing for the various certifications as well as an AHEIA t-shirt. Upon successful completion of the appropriate exams, students will be certified in the *Alberta Conservation and Hunter Education Program* and the *Canadian Firearms Safety Program*. They will then qualify to apply for their *Wildlife Identification Number* (WIN Card) through any private license issuer and be able to apply for their *Minor's Possession License* for firearms.

Participants will be sleeping in cabins and adult supervision is always present. If any parents/guardians would like to stay for the camp and act as a cabin supervisor and/or volunteer helper, **acknowledge "yes" on the online registration form and we will forward you a form to complete and return as soon as possible.** Please note that registration priority will be given to those youngsters whose parents or guardians volunteer to assist at the camp.

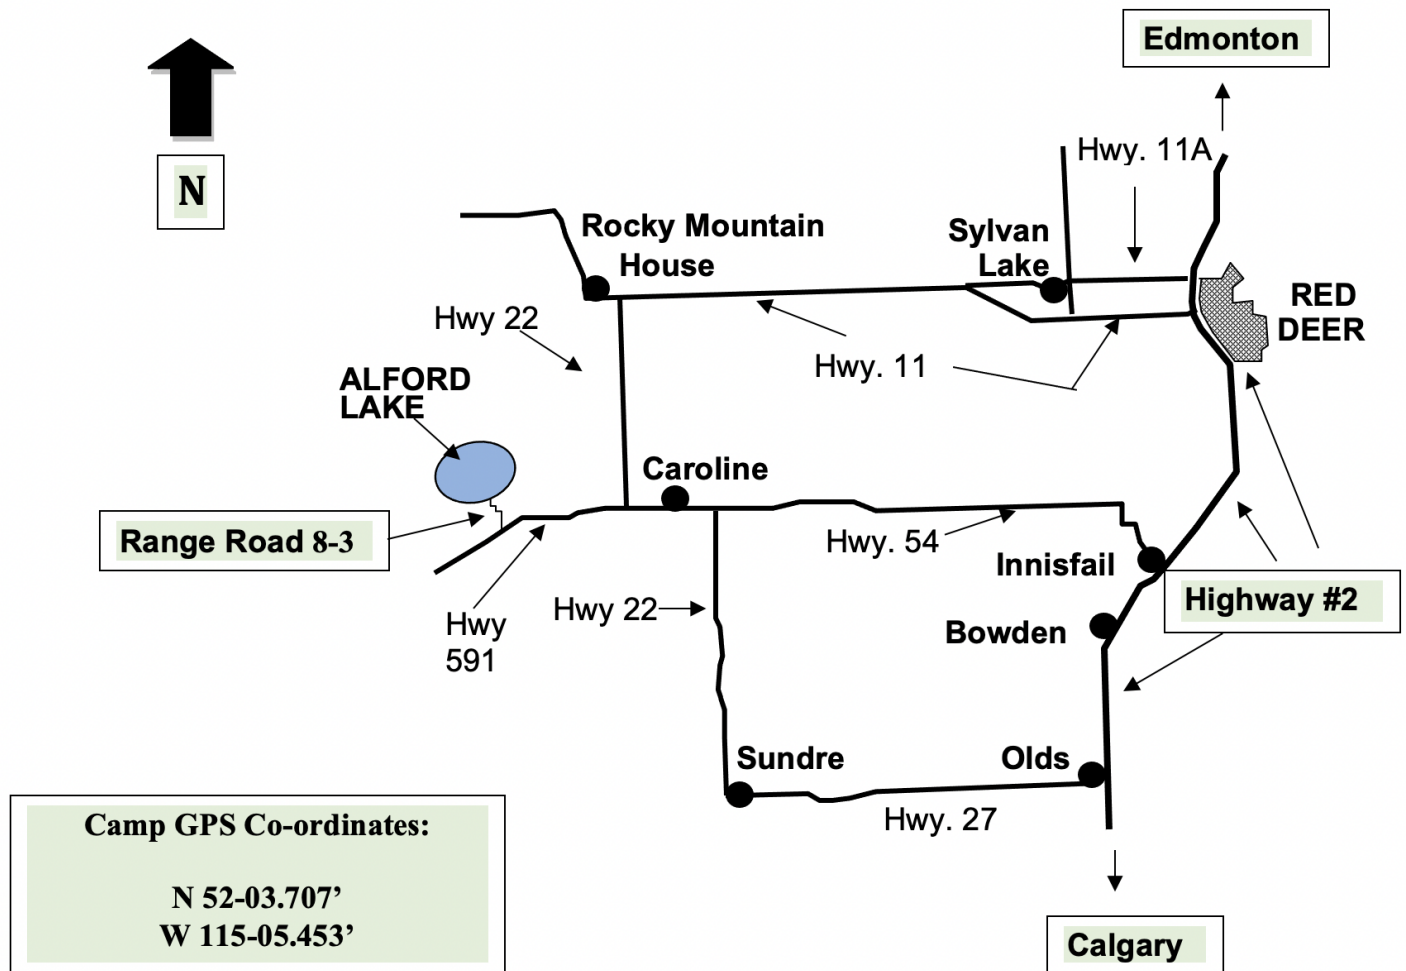

The Alford Lake Conservation Education Centre for Excellence is a drug and alcohol free area. Anyone consuming and/or under the influence of alcohol or drugs of any kind or breaking camp rules will be required to leave our facility immediately.

You must register online at aheia.com/events and your registration will only be processed once you have provided us with payment information and have been accepted into a camp. Following payment, your receipt will be scanned or mailed to you. Once payment has been processed, a confirmation letter providing more in-depth information and a list of items required for the camp will be mailed to you.

If you have any questions, please contact Len Gransch, AHEIA Youth Program Coordinator:
Phone: (780) 466-6682 or Toll Free: (866) 282-4342 or Email: len@aheia.com

MAP

Alford Lake Conservation Education Centre for Excellence is located approximately one hour drive West of Innisfail on Highways 54 and 591 (about 24 km West of Caroline) and then approximately 1.6 km North of Highway 591 on Range Road 8-3 North.
