

# Provincial Hunting Day

**Date:** September 25, 2021  
**Location:** Alford Lake Conservation Education Centre for Excellence  
**Time:** 8:30 AM – 4:00 PM

The fourth Saturday of every September has become a special date within Alberta. The Alberta Government declared this day each year to be **Provincial Hunting Day**; the first annual event was held in 2007. This year’s event will take place on September 25, 2021. It marks the fourteenth annual event, and is a reminder to all Albertans of our hunting heritage, and of the importance of securing a future for wildlife and wild places, especially within our province.

This year the **Alberta Hunter Education Instructors’ Association** and **Hunting for Tomorrow** are offering a day-long event for those who want to explore the outdoors and expand their shooting and hunting knowledge on **Provincial Hunting Day**.

All sessions are hands on and provide the opportunity to learn by doing. This event is completely free and is fun for the whole family!

This is a partial listing of the sessions we are working on; Crossbow basics, Shotgun for beginners, Centerfire rifle shooting, Rimfire rifle shooting, Whitetail techniques, Archery basics, Trapping basics, Black powder shooting, plus more sessions will be added. Choose your sessions on site the day of the event (as space permits).

We will also be providing a complimentary lunch, snacks and beverages.

**Space is limited and you must pre-register by September 15, 2021.**
