***Greetings from the Calgary Firearms Centre and
Conservation Education Centre for Excellence:***

The Calgary Firearms Centre & Conservation Education Centre for Excellence (CFC) and the Alberta Hunter Education Instructors' Association (AHEIA) are pleased to welcome all shooters to the 2025 shotgun season.

We are very happy to be offering our full slate of competitive shoots this year and numerous non-registered trap and skeet shooting events. It is also our honour to once again be hosting the ATA Provincial Trapshooting Championships, July 17-20, 2025, and we extend a very special welcome to visiting shooters travelling from Canada and USA for the event. Pre-squadding for the competition will be available at presquad.com. All 2025 shoot dates are listed in this program, or you can find them on our website, aheia.com/calgary-firearms-centre.

The AHEIA Calgary Firearms Centre is a recreational claybird shooting facility which offers trap, skeet, and 5-stand to shooters of all levels and abilities, year-round. We are very excited to announce that we now have a sporting clays course for visitors to enjoy during our summer season. Please see our website for more information and times when the sporting clays field, and our facility, will be open. If you are interested in trying the shooting sports, you are welcome to book a free session with one of our experienced coaches who will introduce you to target shooting. We provide rental shotguns, and ammunition is available for purchase. If you do not have a Possession & Acquisition Licence (PAL), you must be accompanied by someone who does, other than during a coaching session, in order to shoot at the Calgary Firearms Centre. If you are interested in pursuing clay target shooting, we highly recommend you take a Canadian Firearms Safety Course so that you can apply for your PAL. There are many instructors throughout the province who offer the course, or you can take it at one of our facilities in Calgary and Edmonton, as well as at the Calgary Firearms Centre. If you are interested in an AHEIA Firearms Safety Course, register your name on our notification list through our website and you will receive an email when new course dates are available.

Our popular Women's & Youth Shotgun Leagues will be offering spring and fall sessions again this year on Wednesday evenings, beginning in May. Joining a league is a fantastic way for new shooters to become confident with shooting and those experienced in the sport to sharpen their shooting skills, all in a controlled and safe environment under the supervision of our experienced coaches. In September, National Trap Day is a great opportunity for those who wish to take the next step in target shooting by participating in a one-day competitive registered shoot.

The Calgary Firearms Centre also has a 70 yard outdoor archery range which is available during the centre's hours of operation, and we offer a family archery league for those interested in this sport. The archery league is a lot of fun for all ages! If you are curious about the league, come to an Introduction to Archery event on April 30, 2025, at 4:30pm.

Equipment and coaching for both the Shotgun and Archery Leagues is provided during league sessions or bring your own if you prefer. If you would like more information about the leagues, or to register, visit our website at aheia.com, contact the Calgary Firearms Centre at (403) 256-0665 or email cfc@aheia.com.

The Alberta Hunter Education Instructors' Association, which owns and operates the Calgary Firearms Centre, is a non-profit organization and our objective is to help the public become aware of the importance of protecting Alberta's wildlife and wild spaces, through education. We provide a wide-range in-class and online courses, special programs and events at our various facilities, through outreach, and during camps at our Alford Lake Conservation Education Centre for Excellence near Caroline, Alberta. For more information about our offerings or if you are interested in being involved, either by becoming a member or volunteering your time, visit our website, contact our head office at (403) 252-8474, or email info@aheia.com.

Whether you are interested in a fun day with friends enjoying the shotgun or archery sports, practicing for hunting season, participating in a shooting event or league, taking a course, or simply stopping by for a coffee and to enjoy the spectacular view of the city, the Calgary Firearms Centre offers a friendly escape on the southern outskirts of the city. On behalf of AHEIA and the Calgary Firearms Centre, I wish you the best of luck in the 2025 shooting season and look forward to seeing you soon!

Sincerely,

Robert A. Gruszecki, President

RULES AND REGULATIONS

All tournaments will be governed by the rules of the Amateur Trapshooting Association. Every person who enters a competition agrees to abide by the rules of the Amateur Trapshooting Association ***and*** the terms of this Program ***and*** to accept all decisions of shoot management.

PURSES AND OPTIONS

There are no compulsory purses in these tournaments. You may shoot for targets and trophies only or play any purses or options in the program.

- Purse**..... One Purse (no yardage split) divided 50%/30%/20% - hi-gun system.
- 50's Option** Three 50's. The first and second 25 target sub-events constitute the first 50, the second and third 25 target sub-events constitute the second 50 and the third and fourth 25 target sub-events constitute the third 50. Entries divided equally into three purses, one for each 50. Each purse divided 50%/30%/20% - percentage system.
- Lewis**..... One class per seven shooters entered. A number of entries not evenly divisible by seven will be rounded to the nearest seven for the purpose of establishing the number of classes. Maximum three classes in any event. Total purse divided equally among classes. Each class purse divided 60%/40% - percentage system.
- 50/50 Club Pots** 50/50 Club Pots are made up of three separate 50 straight purses in any 100 target **handicap** event. The first and second 25 target sub-events constitute the first 50, the second and third 25 target sub-events constitute the second 50, and the third and fourth 25 target sub-events constitute the third 50. Entry fee is \$9.00, of which \$3.00 will be added to each purse. Any shooter who plays the 50/50 Club Pots and breaks all of the targets in any 50 will receive 50% of the purse for that 50. If more than one shooter breaks all of the targets in any 50, they will divide the 50%. Club Pots are progressive and will be carried over from one handicap event to the next, from one shoot to the next and from one year to the next. Entry fees paid at a shoot are added to pots after payoffs are calculated for the shoot.
- Special Event** Proceeds of all bids (less 10% retained by the Club as an administration fee) and shooter entry fee of \$10.00, form the purse. Purse will be divided into one money per seven shooters entered (rounded to the nearest seven) – hi-gun system. Shooter 25%, buyer 75%.

President's Message

Dear Fellow Shooters:

It is my privilege to welcome you to the 2025 Alberta Provincial Championships, which will be hosted by the AHEIA Calgary Firearms Centre. The APTA would like to thank every shooter for their continued support. With costs of our sport on the rise, we realize the sacrifice everyone is making to keep our sport going strong in Alberta. I'm sure all shooters will join me in recognizing AHEIA and their staff who always put on an excellent shoot with top notch food, targets, and hospitality. I am looking forward to seeing you all, and I wish you the very best of luck in the tournament.

Be sure to join us Friday night at the BBQ for an evening of fun and fellowship and also the ceremony inducting our newest addition to the Alberta Trapshooting Hall of Fame.

Sincerely,

Brad Johnson

Shells	Reloads will be permitted at this tournament. A limited number of factory loaded shells will be available at prevailing prices. A valid firearms licence (PAL) is required to purchase shells at the Calgary Firearms Centre.
Camping	A limited number of camping spaces are available at \$25.00 for spaces with power and water, \$15.00 for spaces with power only and \$10.00 for spaces with no services. Prices are for the entire shoot. Washrooms and showers in the clubhouse will be open on shoot days. Campers please report to the Cashier's Desk. All campsite bookings should be made through cfc@aeheia.com
Practice Traps	Practice traps will be open during shoot days. Practice rounds will be at regular Calgary Firearms Centre rates.
Shoot-offs & Carry-Overs	No Shoot-offs or carry-overs in the Wednesday Doubles Events. Singles and Doubles Ties and carry-overs will carry-over to the next like sub-event until resolution is required by shoot-off. Handicap ties in the Western Zone Friday Handicap will be Shot-off. All other Handicap Ties will be carried over to the next like event unless a tying shooter earns yardage, in which case all tying shooters must agree to the carry-over. Shoot-offs will be based on 25 targets for Singles and Handicap; 10 pair for Doubles; 20 Singles, 10 Handicap and 5 pair Doubles for HAA; and, 20 Singles, 20 Handicap and 5 pair Doubles for HOA events. Carry-overs will be based on 25 target sub-events for Singles and Handicap and 50 target sub-events for Doubles. 100 or 200 Straights in Championship Events will immediately bank targets in 25 or 10 pair sub-events and repeated as necessary. Shooters are responsible for determining whether they are in a shoot-off and to report to the shoot-off when called. Shooters who fail to report timely will forfeit. Check zone scores to determine when you are in a zone shoot-off.
Juniors	Junior and Sub-Junior shooters will be exempt from target and trophy fees <i>provided that they do not play any purse or option in any event.</i> Junior and Sub-Junior shooters must pay ATA Day Fees and APTA Fees.

Straight Pins	The APTA and the Calgary Firearms Centre will award 100 Straight Pins to shooters scoring 100 in any event or sub-event of that length and 200 Straight Pins to shooters scoring 200 in an event of that length.
House Guns	The Calgary Firearms Centre has a limited number of shotguns available for use by shooters. To use guns the user must have a valid firearms license (PAL). Please check with the Cashier for rates.
Alcohol	Alcohol is restricted to camp shelters or camping areas. Shooters are reminded of ATA rules that prohibit consumption of alcohol or drugs during participation in any event or sub-event or between events or sub-events, including practice, shoot-offs, checking in for shoot-offs, and referees.
Pre-Squadding	Pre-squadding for this tournament will be available through www.presquad.com
Make-up Targets	A squad may be held up to five minutes for a tardy shooter. If the tardy shooter does not appear within five minutes, the squad must begin the event without that shooter. Per ATA Rules, if the tardy shooter arrives before the squad fires the first shot on the second post of the first sub-event, the shooter may make-up the first post only and continue with the squad. A shooter will not be allowed to make-up more than 50 targets on the make-up traps. If a tardy shooter is unable to join the squad before the squad has started their third sub-event, the shooter must re-squad for the event. The host club may in its discretion charge a re-squad penalty not exceeding \$25. A shooter will not be permitted to re-squad on a short squad that has commenced the event. All make-ups must be completed by the time the last squad completes the event.

Class Advances

Shooters winning or tying for class in any Singles or Doubles events (including at the discretion of the handicap committee, any Preliminary events that are not included in the HOA) will advance at least one class for the next like event.

Handicapping

A shooter will shoot his or her ATA or PITA yardage, whichever is the longest. However, if the shooter has not shot PITA targets in the current or preceding ATA target year and has been granted a reduction after an ATA 1,000 target review, the shooter will shoot from his or her ATA yardage.

Shooters 70 years of age or older who have less than 1,000 total handicap targets registered for the current and previous two years will shoot from assigned yardage or average card yardage, whichever is longer. Assigned yardage for these shooters will be no less than 20 yards.

All other shooters who have less than 1,000 total Handicap targets registered for the current and previous two years will shoot from assigned yardage or average card yardage, whichever is the longer. Assigned yardage for these shooters will be no less than 23 yards.

At the discretion of the the handicap committee, a shooter's yardage may be re-assigned if target minimums are met during the tournament, subject to restrictions.

Should you earn yardage in any Handicap event, it is the shooters responsibility to report to an Event Coordinator for yardage punch and any possible squadding revisions resulting in movement.

The Alberta Provincial Championships/Western Zone

NOTICE TO SPECIAL CATEGORY SHOOTERS

Because All American points will be awarded at this tournament, **shooters may declare only one special category** (i.e. Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub Veteran, Veteran, or Senior Veteran). Chair shooters are exempt from this rule. Shooters must declare their special category at the time of classification in order to be eligible for special category trophies. ***It is the responsibility of special category shooters to ensure that their special category has been noted on their entry form prior to cashiering for the first event entered.***

TROPHY PROCEDURE

A Category Shooter tied for Closed event Champion may shoot-off for the Championship Trophy. If the Category shooter fails in the trophy shoot-off they will fall back to the declared Category. Closed Runner-up and Closed Category winners may not fall back to Open Champion. All other qualifying closed Category shooters may fall back in the following order: Open Champion, Closed Class, Open Class. In an event that has no Champion Trophy, the Category shooter whose score qualifies for a trophy in their declared Category, may not fall back to place, or class. Where there is no Category Trophy offered, the Category shooter is eligible to shoot for Class or Place trophies. Any Category Shooter whose score does not qualify for a trophy in their category, may compete for place, or class trophies. Once declarations of Category have been made by the shooter the declaration is final and cannot be changed. There shall be no exception to this rule.

RULES AND REGULATIONS

This tournament will be governed by the rules of the Amateur Trapshooting Association. Every person who enters the competition agrees to abide by the rules of the Amateur Trapshooting Association **and** the terms of this Program **and** to accept all decisions of shoot management. Except as otherwise set out in this program, all general information, rules and regulations and safety and other information in the 2025 Calgary Shoot Program book apply to this tournament.

Grievances

Because the Provincial Championship tournament is hosted by a club, it has been unclear whether shooters with grievances should address them to the APTA or the Club. The APTA Board of Directors has therefore struck a committee consisting of the ATA Delegate and two others to be appointed by the APTA to be responsible for handling all shooter grievances at the tournament. This year's committee is Brad Johnson, Bob Gruszecki and Jim Thomson. Shooters with grievances should contact one of the committee members.

Safety

Safety should always be our number one priority. Please review and abide by the safety rules at the front of this Program and ensure that this is a safe and happy event for all.

Note Regarding Western Zone Championships

On Friday, Saturday and Sunday of this Tournament, Shooters will participate “concurrently” in both the Alberta Provincial Championships and the Western Zone Championships. ATA Rules do not permit Shooters to opt out of participation in one tournament or the other, meaning that all Shooters must pay applicable Western Zone Fees of US\$1.50/100 targets on concurrent Western Zone Events. Given the already inflated cost of shooting, APTA was concerned that this additional expense might discourage participation in the Provincial Tournament. After considering alternatives, the APTA Board of Directors decided to pay the Western Zone Fees on behalf of all shooters competing on Friday, Saturday and Sunday.

APTA RECORD BOOK

The APTA would like to continue to collect and maintain records of outstanding and lasting performance. In the past many notable achievements have gone unnoticed because no suitable means of compiling these achievements existed. Often shooters are reluctant to promote their own achievements, yet this information is of interest to most shooters. Some of the categories we are interested in keeping records of are listed below. If you qualify or know of anyone who qualifies for listing, please inform the APTA Secretary. Please talk to the old-timers, find out if they know people who may qualify and help us establish this record. While every attempt is made to keep accurate records, the onus is on shooters to notify the APTA of any record and of any error in the records.

2024 Alberta Provincial All Star Teams and High Averages

All-Star Teams are chosen based on the previous target year ATA composite averages, calculated by adding the Singles, Doubles and Handicap averages together and dividing by 3. The First Team is comprised of eligible shooters with the top five composite averages. The shooter with the highest composite average of the five is First Team Captain. The Second Team is comprised of eligible shooters with the sixth through tenth highest Composite averages. The shooter with the highest composite average of the 5 (i.e. the 6th highest composite average for the year) is the Second Team Captain.

To be eligible for the All-Star Teams, a shooter must (a) register targets at a minimum of three clubs in Alberta (no minimum number of targets per club), and (b) register a minimum of 1000 Singles, 1000 Handicap, 800 Doubles of which 500 Singles, 500 Handicap, 400 Doubles must be shot at Registered Shoots in Alberta.

Average Leaders in Singles, Doubles and Handicap are chosen based on their previous target year ATA average in the particular discipline.
